

## **Sprint 1 Report**

Product Name: Share Yourself Artists  
Team Name: SYA  
Sprint Completion Date: 07/10/18

### **Actions to STOP doing**

- We should stop merging to master branch individually, because it can make conflict errors with others.

### **Actions to START doing**

- We should have one person as a 'gatekeeper', because it is better to be careful when merging to the master branch.
- We should have more time reviewing each other's codes, because teammates can learn from each other.

### **Actions to KEEP doing**

- We should keep the five day scrums a week, because it is good to synchronize our work.
- We should keep communicate in real time by slack, because it makes our progress high-speed.

### **Work completed / not completed**

- **completed**
  - **User Story 1:** As a developer, I want to learn the technologies necessary when developing.
  - **User Story 2:** As an artist, I want a direct line of communication with those within the art profession in order to receive feedback on my work.
  - **User Story 4:** As an artist, I would want my art to be seen by businesses that I specify and receive feedback from them
- **Not completed**
  - **User Story 3:** As someone in the art profession, I want to profit from my expertise in the field by being paid to provide artist feedback.

### **Work completion rate**

- Total number of user stories completed: 3
- Total number of estimated ideal work hours: 2 hours/day \* 7 days \* 5 people = 70 hours
- Total number of days during the prior sprint: 7 days
