

System and Unit Test Report

Share Yourself Artists - Business Flow

Zion Calvo, Kaio Barbosa, Roslyn Axtell

12/3/18

System Test Scenarios

Sprint 2:

- A. **User Story 1:** As a blog, I should be able to update my profile information
- B. **User Story 2:** As a blog, I would like to view what categories the art submissions are in.
- C. **User Story 3:** As a blog, I would like to be able to download them to share on my social media platform.

Scenario 1:

1. Open Share Yourself Artists website and click "SIGN IN"
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard
2. Click on the dropdown () menu in the top right hand corner.
3. Click on "PROFILE."
4. You should see all of your profile information. Click on "EDIT PROFILE"
5. Edit any values that need to be updated for your profile
6. Click "SUBMIT" to save your changes and "BACK" to cancel.
7. Your profile should be updated with the new information you entered.

Scenario 2:

1. Open Share Yourself Artists website and click "SIGN IN"
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard
2. Scroll to a submission which an artist has attached categories to their art
3. Up to 3 categories should be appear next to the description of the art
4. Click the respond() button
5. All the categories should appear next to the art title

Scenario 3:

1. Open Share Yourself Artists website and click "SIGN IN"
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard
2. Scroll down to any submission
3. Click the download () button
4. Your picture will be downloaded to the default download location of your browser

Sprint 3:

- A. As an artist, I would like to see the statistics for each blog so I can make an informed decision who to submit to.
- B. As a blog, I would like an optional step-by-step tutorial to learn how to navigate the dashboard.

Scenario 1:

1. Open Share Yourself Artists website and click "SIGN IN".
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard.
2. Click on "BLOGS/MAGAZINES".
3. The statistics for each blog should be displayed under the blogs respective name.

Scenario 2:

1. Open Share Yourself Artists website and click "SIGN IN".
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard.
2. Start the tutorial by clicking "Next" on the orange text box (alternatively, use the right arrow key to produce the same effect).
 - a. If instead you want to skip the tutorial, click on "Skip"
3. Read the textbox messages as they guide you through the dashboard's components. Continue pressing next.
4. After step 6, expect a modal to pop up. Enter a review. Fill out the fields.
5. Click on "Submit" when you are done.
6. Finish the step-by-step tutorial.

Sprint 4:

- A. As a blog, I would like the submissions page to merge with the dashboard page so that everything I need to see is in one place.
- B. As a blog, I would like to see a cleaner dashboard so that my dashboard is more visually pleasing.
- C. As a developer, I would like to only show a dummy submission when a blog is in tutorial mode so that the blog does not interfere with real submissions.

Scenario 1:

- 1. Open Share Yourself Artists website and click "SIGN IN".
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard.
- 2. The submissions page is now on the bottom of the divider splitting up both the dashboard and submissions page

Scenario 2:

- 1. Open Share Yourself Artists website and click "SIGN IN".
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard.
- 2. The dashboard is now more horizontal rather than vertical resulting in a more aesthetically pleasing dashboard.

Scenario 3:

- 1. Open Share Yourself Artists website and click "SIGN IN".
 - a. Email = test@gmail.com
 - b. Password = 123456
 - c. Press "SIGN IN"
 - d. You should be directed to the dashboard.
- 2. At the dashboard, click "START TUTORIAL" under your profile picture.
- 3. If there were any previous submissions, all those submissions should have been cleared and only a dummy submission will appear.
- 4. As you follow the tutorial, only the dummy submission will be the submission listed.
- 5. As soon as you "FINISH" or "SKIP" the tutorial, all previous submissions will reappear and the dummy submission will be cleared.

Unit Tests

- `display_dummy_submission.js`
- `replied_unreplied_review.js`
