

Sprint 2 Report

Product Name: Share Yourself Artists
Team Name: SYA
Sprint Completion Date: 07/16/18

Actions to STOP doing

- We should stop working on branches that are out of sync as much as they are.

Actions to START doing

- We should dedicate more time to testing other team members code because that will help minimize bugs.

Actions to KEEP doing

- We should keep having the daily scrum meetings because it keeps everyone on the team up to date on the development progress.
- We should continue to be careful and organized when it comes to merging our different contributions because it reduces time spent on handling conflicts.

Work completed / not completed

- Completed

- **User Story 5:** As an artist, I want to see empty review board so that I can see this screen is not linked incorrectly, but I don't have any review.
- **User Story 6:** As an artist, I want to see empty dashboard so that I can see this screen is not linked incorrectly, but I did not post anything.
- **User Story 7:** As a business, I want to see empty submission page so that I can see this screen is not linked incorrectly, but I do not have any submissions.
- **User Story 8:** As a user, I want to see pages such as 'about us' and 'support' so that I can get information about the service.
- **User Story 9:** As a user, I want to see 404 error page so that I can get specific reason for current state of the website(e.g. page is not shown, but that is not because of the user's fault)
- **User Story 10:** As a user, I want to have more functionalities in chat so I can communicate with others faster and easier
- **User Story 11:** As a user, I want to be able to use emoji to facilitate quick communication with other users

- Not completed

- **User Story 1:** As someone in the art profession, I want to profit from my expertise in the field by being paid to provide artist feedback.
- **User Story 2:** As an artist, I want a notification about payments by email so that I can check my status.
- **User Story 3:** As an artist or business I want the ability to sign in using my social media.

- **User Story 4:** As an artist, I want to see reviews so that I can see the reaction of my work.

Work completion rate

- Total number of user stories completed: 5
- Total number of estimated ideal work hours: 3 hours/day * 7 days * 5 people = 105 hours
- Total number of days during the prior sprint: 7 days
