

# Sprint 3 Report

## Share Yourself Artists

Sponsored by: Share Yourself Artists

Team Name: SYA

Sprint Complete Date : 07/24/18

Release Date: 07/27/18

### Actions to stop doing:

- We need to reduce our lack of communication with our team members.

### Actions to start doing:

- We need to comment on the work so that other members can understand more clearly.
- We need to keep in sync with the main branch.

### Actions to keep doing:

- We should keep marking on the works we are currently participating.
- We should keep asking questions to each member of the team.

### Work completed

- **From last sprint - User Story 0:** As someone in the art profession, I want to profit from my expertise in the field by being paid to provide artist feedback.
- **User Story 1:** As a user, I want to sign up/in smoothly so that I can be satisfied with the website.
- **User Story 2:** As an artist, I want to upload image smoothly so that I can be satisfied with the website.
- **User Story 3:** As an artist, I want to see reviews smoothly so that I can be satisfied with the website.
- **User Story 4:** As a business owner, I want to reply to submissions smoothly so that I can be satisfied with the website.
- **User Story 5:** As a user, I want to use the website without bugs so that I can be satisfied with the website.
- **User Story 6:** As a user, I want to edit my profile so that I can update my states.
- **User Story 7:** As a developer, I want to analyze and improve the project's firestore cloud functions in order to enhance its performance and make the user experience better.

- **User Story 8:** As a user, i want to have my social media page to be on my profile page so people can access it
- **User Story 9:** As a user, i want to have my social media page to be on my profile page so people can access it

### Work not completed

- **User Story 6:** As a user, I want to edit my profile so that I can update my states.
  - Profile Image edit

### Work completion rate:

- Total number of user stories completed: 5
- Total number of estimated ideal work hours: 3 hours/day \* 7 days \* 5 people = 105 hours
- Total number of days during the prior sprint: 7 days
